Can you imagine being personally mentored by one of the foremost leaders in the Body of Christ? That's exactly what you'll sense when you make the decision to adventure out in faith and be a part of this exciting new program.

What is the School of Ministry?

Dr. Savelle is introducing an exciting new program for every member of the body of Christ who believes that they have the call of God on their lives for full time ministry.

The same anointed teaching that he has shared with the second year students at the Heritage of Faith Bible Institute and School of World Evangelism for the past nine years, is now available in your home on video or DVD.

These lessons are designed to take a young minister through Dr. Savelle's ministry experience since 1969 and teach them not only how to fulfill their calling but to do it with excellence. The material that will be taught in this program will consist of: "Your Calling and What To Do Next" and it will take you through the steps to the "Fulfillment of the Call."
